Subject: Follow-Up on Election Accuracy Day of Action and Request for Legislative Support

Dear Representative [Last Name],

I am writing to follow up on the **Election Accuracy Day of Action** held on **Tuesday, February 25, 2025**, at Lawyers Mall in Annapolis. This event, organized by **Secure the Vote Maryland**, brought together a diverse group of citizens united in our commitment to enhancing the integrity of Maryland's electoral process.

During the rally, we advocated for several key reforms aimed at ensuring secure and transparent elections:

- **Implementation of Voter ID and Signature Verification:** A significant majority—65%—of Marylanders support the introduction of voter ID requirements to enhance the legitimacy of our elections.
- **Opposition to Ranked Choice Voting:** Concerns were raised that this voting system may lead to voter confusion and undermine confidence in election outcomes.
- **Promotion of Decentralized Election Processes with Minimal Reliance on Technology:** Advocates emphasized the importance of reducing dependence on technology to mitigate vulnerabilities and enhance the security of our elections.

The event underscored the urgency of these reforms, reflecting the collective voice of Marylanders who are deeply invested in the integrity of our democratic processes.

As our state representative, your leadership is crucial in translating these concerns into actionable legislative measures. I respectfully request your support in:

1. **Sponsoring or endorsing legislation that mandates voter ID and signature verification for all ballots.**
2. **Opposing the adoption of ranked choice voting in Maryland.**
3. **Advocating for election procedures that prioritize decentralization and limit reliance on potentially vulnerable technologies.**

Your commitment to these issues will significantly contribute to restoring and maintaining public trust in our electoral system. I would welcome the opportunity to discuss these matters further and explore how we can collaborate to achieve these essential reforms.

Thank you for your attention to this pressing issue and for your continued service to our community.

Sincerely,

[Your Name]
