

## **PETITION CIRCULATION – PUBLIC EVENTS**

### **GUN SHOW PROTOCOL**

#### **CIRCULATE** with a folder

- Voter Registration Forms (just in case)
- Petition Instructions
- Petition (preferably 1 for each jurisdiction – Gun Shows attract all counties!)
- Black pen

**NOTE:** *I made a point to only approach people who were not “browsing” or “shopping”. Many of the people I approached were vendors who were just sitting there, not otherwise occupied. They looked like they had “time to kill”. I was very conscious of the fact they have paid for a table so they can make money and I didn’t want to ever be in a position of distracting them from sales.*

#### **SCRIPT:**

*Are you a Maryland Registered Voter?*

[NO]

*Thank you. Have a great Day.*

[YES]

*Would you be interested in signing a petition in support of cleaning up the 86,895 registration violations currently on our voter rolls?*

[YES]

*We have identified the 7 Best Practices for a Secure and Accurate election. This is a non-binding petition we will deliver to the State Legislature to let them know we support voting practices like Voter I.D. and Signature verification. Will you sign?*

[NO]

*Thank you. Have a nice day. (I may or may not have told one particularly fearful attendee that their fear will deliver them the American they deserve...and it won't be pretty. Sorry not sorry)*

[YES]

\*\* Offer them the large print text of the petition to review before signing.

**\*\* Make sure you have all the same jurisdictions on the same petition**
